PARENTS TEACHERS ASSOCIATION (PTA) MEMBERS

Date : 30/05/2026

The role of education in the betterment of society cannot be neglected. For a school to function effectively for the welfare of students, it is essential that both teachers and parents work together. This collaboration is successfully achieved through the Parent-Teacher Association (PTA) in schools. The importance of the PTA cannot be overlooked. Satdham Vidyamandir recognizes this vital aspect and actively promotes the Parent-Teacher Association. There are numerous benefits associated with the PTA. It helps teachers understand students from the parents' perspective and, similarly, enables parents to understand the academic environment and expectations of the school. The PTA allows parents to stay informed about the functioning of the school, its challenges, and its progress. It works towards making the school a better and more effective place for quality education. Through PTA meetings, teachers and parents come together to discuss various issues related to the school as well as individual student development.

AIM AND OBJECTIVES

The aims and objectives of the Association are as follows:

1. To provide a platform for parents, guardians, and teachers to meet, exchange ideas, analyze issues in depth, make recommendations, and effectively implement decisions on matters affecting education.
2. To foster mutual understanding, harmony, and cooperation among parents, guardians, and teachers in fulfilling their common goal—the welfare of the school and its students.
3. To promote a healthy and sympathetic understanding of the school's educational policies and programs, and to contribute towards creating a supportive environment for their successful implementation.
